About

Nidashi Nutrifox

Craving a Delicious & Healthy Snack? Look no further than Nidashi Nutrifox! We're a brand under Nidashi Overseas private limited, India's leading supplier of premium fox nuts.

Founded in 2018, we're passionate about providing you with a variety of delicious and healthy fox nut options. Located in Patna with a state-of-the-art facility in Purnia, we prioritize quality and transparency.

We source directly from dedicated farmers, ensuring freshness and ethical practices. Our meticulous processing guarantees you receive only the finest fox nuts.

Whether you're a snack lover, a bulk buyer, or a potential business partner, Nidashi Nutrifox is here for you! Explore our website www.nidashioverseas.com to discover our commitment to ethical sourcing, product variety, and how we can be your trusted partner in the world of fox nuts.

At Nidashi Nutrifox, excellence defines us. We combine integrity, sustainability, and a relentless pursuit of quality to deliver exceptional fox nuts you can trust.

Nidashi Nutrifox: Your Gateway to Quality Fox Nuts for India and Global Markets.

At Nidashi Nutrifox, we are committed to providing you with the finest fox nuts possible. This dedication is reflected in the certifications we've proudly obtained:

For All Consumers:

- **FSSAI Central License:** Ensures our fox nuts comply with India's stringent food safety regulations.
- **Lab Nutrition Report:** Provides complete transparency about the nutritional content of our fox nuts.
- **APEDA Certification:** Guarantees our fox nuts meet the strict quality standards required for agricultural exports, ensuring a premium product reaches you anywhere in the world.

For International Trade:

- **Import Export Code:** Allows us to seamlessly import and export fox nuts, fulfilling your orders efficiently.
- **Registration at Jawaharlal Nehru Port:** Streamlines our ability to deliver your fox nuts internationally.

For Overall Excellence:

- **ISO 9001:2015 Certification:** Underlines our commitment to robust quality management systems, fostering consistent excellence in every aspect of our operations, delivery
- **ISO 22000-2018 (Food Safety Management System):** Guarantees the highest food safety standards throughout processing and packaging, giving you complete peace of mind.
- **MSME Registration:** Acknowledges us as a small and medium enterprise, contributing to India's economic growth.
- **Trademark:** Protects our brand identity and ensures you're getting authentic Nidashi Nutrifox fox nuts.
- **GSTIN:** Ensures we comply with India's Goods and Services Tax regulations.

By achieving these certifications, we demonstrate our unwavering commitment to quality, safety and ethical operations.

Visit our website www.nidashioverseas.com to learn more about our commitment to quality and explore the variety of delicious and healthy fox nut options we offer.
